RIGHTS & RESPONSIBILITIES

Welcome to US Wound Care & Hyperbaric Centers. We are glad to have you as a patient, and we will strive to provide you with the highest quality patient care.

In order to do this, we will make the following commitments to you:

- The staff will treat you as promptly as possible at your scheduled appointment time.
- We will be considerate and compassionate.
- We will try to meet your goals as a patient, as directed by your physician.
- We will schedule your appointments in advance, within our scheduling confines, and will try to make those appointments as convenient as possible for you.

In order to provide quality service to all our patients, we make the following requests:

- If you are unable to make your scheduled appointment, please call us at 1-855-WOUND01, at least 24 hours prior to your scheduled appointment.
- Please call if you know you will be more than 10 minutes late and we will do our best to accommodate you.
- If you are more than 15 minutes late for your appointment, without calling, your appointment will be forfeited.
- If you miss 3 appointments without calling to cancel or reschedule, any future appointments you have scheduled will be cancelled and you will be discharged.

It is our goal to provide high quality services in a friendly, professional, kind environment; any behavior detrimental to this environment may be grounds for dismissal from the clinic. Please refer to our Attendance Policy for additional information.

What to expect: To begin care, we do require a consult with our physician, depending on your insurance requirements, this may also entail obtaining a referral from your referring physician. Please be advised we are obligated to treat you for the reason you were referred here and cannot provide any treatment not authorized by your physician, prescribe any medications, or offer any diagnoses outside the scope of this specialist's office. Prescriptions are valid only 30 days from the date they were issued. If it is medically necessary to extend your treatment beyond your initial plan of care, we will communicate with the physician to update the prescription. We will forward progress notes to your physician upon evaluation, periodically during treatment, and at discharge.

As stated in the consent depending on your insurance, you may have some financial obligations for your treatment such as a copayment per visit or percentage of total cost. Based on verification from your insurance company, an estimate of your financial responsibility is: $_____per visit /_____%.

In order to receive the maximum benefits, we recommend you wear comfortable clothing and shoes, follow your home program, and maintain as close as possible the schedule of appointments recommended by your physician. If you have any additional questions, please feel free to ask any member of the staff.

PATIENT ATTENDANCE POLICY

At US Wound Care & Hyperbaric Centers we strive to provide our patients with excellent service and care. Our commitment to your well-being and healing in our wound care and hyperbaric process is something everyone in our clinic takes quite seriously. We pride ourselves on providing a personalized team approach in care. In order to provide this level of service, we reserve set appointment times for *each* individual patient.

We care about you and realize that it would be a disservice if we did not emphasize the importance of your commitment to your own care and well-being. Your adherence to the recommended number of visits and/or treatments is a vital component of your progress with our services. Therefore, we have certain policies in place in order to ensure the most optimal results.

CANCELLATIONS: Consistent attendance and taking an active role in your treatment is one of the keys to successful wound healing. Repeated last-minute cancellations imply a lack of commitment to your recovery. Thus, for any reason you must cancel an appointment, our office requires **24-hour advanced notice**. Cancellations within the 24-hour period or missed appointments are subject to a **$25.00 short notice cancellation/no-show fee**.

NOTE: This cancellation/no-show payment **will be due prior to your next scheduled appointment. Please note this is not covered by your insurance.**

LATE ARRIVALS: Arriving on time is a critical part of delivering optimal care to our patients. Understandably, arriving late from time to time is an unavoidable part of life. However, chronic late arrivals demonstrate a lack of commitment to your healthcare and recovery. If at any time you are 15 minutes late, without coordinating with our front office, we reserve the right to reschedule your visit.

REPEATED NON-COMPLIANCE: Instances of repeated non-compliance with your scheduled visits, we reserve the right to discontinue care and we will inform your physician and/or case manager of the fact that your service has been discontinued due to non-compliance with their prescribed order.

I have read and understand the above policies and agree to the obligation of my care.
