## RIGHTS & RESPONSIBILITIES

Welcome to Arlington Wound Care & Hyperbaric Center, LLC (a part of U.S. Wound Care and Hyperbaric Centers). We are glad to have you as a patient, and we will strive to provide you with the highest quality patient care.

In order to do this, we will make the following commitments to you:

- The staff will treat you as promptly as possible at your scheduled appointment time.
- We will be considerate and compassionate.
- We will try to meet your goals as a patient, as directed by your physician.
- We will schedule your appointments in advance, within our scheduling confines, and will try to make those appointments as convenient as possible for you.

In order to provide quality service to all our patients, we make the following requests:

- If you are unable to make your scheduled appointment, please call us at 1-855-WOUND01, at least 24 hours prior to your scheduled appointment.
- Please call if you know you will be more than 10 minutes late and we will do our best to accommodate you.
- If you are more than 15 minutes late for your appointment without calling, your appointment will be forfeited.
- If you miss 3 appointments without calling to cancel or reschedule, any future appointments you have scheduled will be cancelled and you will be discharged.

Our goal is to provide high quality services in a friendly, professional, kind environment; any behavior detrimental to this environment may be grounds for dismissal from the clinic. Please refer to our Attendance Policy for additional information.

**What to expect:** To begin care, we do require a consult with our physician. Depending on your insurance requirements, this may also entail obtaining a referral from your referring physician. Prescriptions are valid only 30 days from the date they were issued. We will forward progress notes to your physician upon evaluation, periodically during treatment, and at discharge.

As stated in the consent, depending on your insurance, you may have some financial obligations for your treatment, such as a deductible, copayment per visit, or a percentage of the total cost (sometimes referred to as co-insurance). Based on verification from your insurance company, an estimate of your financial responsibility is \$\_\_\_\_\_per visit / \_\_\_\_\_%.

To receive the maximum benefits, we recommend you wear comfortable clothing and shoes, follow your home program, and maintain as close as possible the schedule of appointments recommended by your physician. If you have any additional questions, please ask any staff member.

## TREATMENT & CONSENT

**TO THE PATIENT:** This consent form is necessary to obtain your permission to perform the evaluation necessary to identify any condition that might require an appropriate treatment and/or procedure as part of your plan of care. You have the right to be informed about any condition identified and the options for the recommended surgical, medical, or diagnostic procedure to be used, and the risks and hazards relating to this care/procedure. You may then decide whether or not to undergo any suggested treatment or procedure after being informed of the potential benefits and risks involved.

### Description of Medical Care and Surgical Procedure(s)

\_\_\_\_\_ (Initial) I (we) voluntarily request a physician and/or mid-level provider (Nurse Practitioner, Physician Assistant, or Clinical Nurse Specialist) of Renovo Wound and Hyperbarics, PLLC ("physician group"), and other health care providers or the designees as deemed necessary, to perform necessary medical examination, testing and treatment for the condition which has brought me to seek care at this center. I understand that if additional testing and invasive or interventional procedures are recommended, I may be asked to read and sign additional consent forms. My condition has been explained to me as:

**Condition to be treated** \_\_\_\_\_

\_\_\_\_\_ (Initial) I (we) consent to the videotaping, photographing, and/or other recording of myself and/or the portion of my body involved in my medical condition, diagnosis, treatment, operations(s) and/or procedure(s) for medical education, internal quality control, performance improvement, and/or other related uses. I understand that for the purpose listed above, I have the right to request cessation of the recording or filming and/or rescind my consent to use such recordings for anything other than documenting my own wound healing. Some photography is necessary to document the progression of your healing and is a part of your permanent medical record.

## **TREATMENT & CONSENT - CONTINUED**

### **Potential for Additional Necessary Care/Procedure(s)**

\_\_\_\_\_ **(Initial)** I (we) understand that my physician/provider may discover other or different conditions which require additional procedures than those planned. I (we) authorize my physician, and any associates, technical assistants, and other health care providers to perform such other procedures which are advisable an/or necessary in their professional judgment.

### **Risk Related to this Care/Procedure**

\_\_\_\_\_ **(Initial)** Just as there may be risks and hazards in continuing my present condition without treatment, there are also risks and hazards related to the performance of the surgical, medical and/or diagnostic procedures that may be planned for me, such as the potential for infection, blood clots in veins and lungs, hemorrhage (severe bleeding), allergic reactions, pain, loss of tissue/limb, lack of wound healing, need for additional or repeat procedures, unforeseen complications/side effects of any treatment, trauma/pressure-related injury from compression treatments, intolerance of any procedure, and even death. The chances of these occurring may be different for each patient based on the care/procedure and the patient's current health.

### **Granting of Consent for this Care/Procedure(s)**

\_\_\_\_\_ **(Initial)** I (we) have been given the opportunity to ask questions about my current condition(s), the proposed procedure(s) and steps that will occur during my care/procedures, the benefits, the likelihood of success, the possible risks and hazards involved in the care/procedure and possible problems related to recovery, the possible risks of nontreatment of my condition, and other alternative forms of treatment (including no treatment), and the risks and benefits of alternatives involved. I (we) understand that no warranty or guarantee has been made to me as to the result or cure.

\_\_\_\_\_ **(Initial)** I (we) certify this form has been fully explained to me, that I (we) have read it or have had it read to me (us), that the blank spaces have been filled in, and that I (we) understand contents. I (we) believe that I (we) have enough information to give this informed consent and I (we) request the medical evaluation and treatment.

\_\_\_\_\_ **(Initial)** I (we) grant permission to perform necessary medical examinations, testing and treatment. I (we) understand that this consent is continuing in nature even after a specific diagnosis has been made and treatment recommended, along with potential risk and benefits. The consent will remain fully effective until it is revoked in writing. You have the right at any time to ask additional questions or to discontinue or decline services.

## **ADDITIONAL CONSENT FOR TREATMENT, PAYMENT, PATIENT RESPONSIBILITY, AND COMMUNICATION**

\_\_\_\_\_**(Initial) Consent for Treatment and Payment Agreement:** I consent to Renovo Wound and Hyperbarics, PLLC ("physician group") and its team of providers and Arlington Wound Care & Hyperbaric Center, LLC's ("center") administration and performance of wound care treatment, use of prescribed medications, the performance of diagnostic procedures, test and cultures and performance of other laboratory tests that the physician or designee determines medically necessary or advisable based on the judgment of the physician or their assigned designees. I give consent in advance of any specific diagnosis or treatment. I intend this consent to be continuing in nature even after a specific diagnosis has been made and treatment recommended. Consent will remain in force until revoked in writing; and a revocation of this consent will not affect the validity of my consent as to acts performed before the revocation. A photocopy of this consent shall be as valid as the original. I understand that while my consent is voluntary if I refuse to sign this consent, Renovo Wound and Hyperbarics, PLLC ("physician group") and Arlington Wound Care & Hyperbaric Center, LLC may refuse to treat me or my minor/disabled patient. If I am signing this consent on behalf of a patient who is under age 18 or impaired in such a way as to make him or her unable to consent to or refuse treatment, I represent to Renovo Wound and Hyperbarics, PLLC ("physician group") and Arlington Wound Care & Hyperbaric Center, LLC that I have legal authority to consent to treatment on the patient's behalf and that I do in fact consent to treatment as described in the preceding paragraph. In such a case, references in this form to "I", "me", or "my" are intended as references to the patient where appropriate.

\_\_\_\_\_**(Initial) Patient Responsibility for Follow-Up:** I understand that it is my responsibility to follow any discharge and/or follow-up instructions that my physicians and staff at Arlington Wound Care & Hyperbaric Center, LLC may provide to me, including without limitation any recommended homecare and any follow-up examination and/or treatment by other healthcare providers. I accept full responsibility for the consequences of any failure by me to obtain recommended follow-up care and/or to comply with any other discharge instructions related to this clinic's visit.

\_\_\_\_\_**(Initial) Responsibility for Payment:** In consideration of the services Renovo Wound and Hyperbarics, PLLC ("physician group") and Arlington Wound Care & Hyperbaric Center, LLC will provide to me, I promise to pay the physician group, Renovo Wound and Hyperbarics, PLLC, for services provided at the center. I understand the physician group may file its bill with my insurance company, but I understand that it is my responsibility to obtain any referral forms from my primary care physician that my insurance company may require as a condition to its payment for my healthcare service. I understand that the cost of healthcare services provided to me is my personal responsibility, even if I have insurance coverage for that cost, and that I am directly liable to Renovo Wound and Hyperbarics, PLLC ("physician group") for any portion of such cost that my insurance company or other third-party payer does not pay, for any reason. If I am signing this form on behalf of a person whom I have allowed to be a dependent on my insurance coverage, I acknowledge that I am personally liable for any co-payment, deductible obligation, or other portion of charges for services that my insurance company or other third-party payer does not pay. If that patient is my minor child, I acknowledge that I am legally responsible to the physician group for its charges for services to the patient without regard to the allocation of liability for such charges as between other persons and me in a decree of divorce or other court order or decree. I understand that if my account with Renovo Wound and Hyperbarics, PLLC ("physician group") is unpaid for more than a reasonable amount of time, the center will place my account with a collection agency to pursue collection efforts, and, if necessary, cause my unpaid account to appear on my credit report. I agree to endorse and forward to the physician group all insurance or third-party payments that are due to the physician group that I may receive for services provided at the center immediately upon my receipt of such payment.

\_\_\_\_\_**(Initial) Medical Records:** I understand that Arlington Wound Care & Hyperbaric Center, LLC maintains medical records in the office which will be used on an ongoing basis for planning care and treatment. Information within the medical record may be released by the physician group and Arlington Wound Care & Hyperbaric Center, LLC to my other physicians/healthcare providers and insurance company as necessary for billing and medical reasons. I authorize the physician group and Arlington Wound Care & Hyperbaric Center, LLC to access my prescription history from external sources. **MEDICARE PATIENTS:** I authorize Arlington Wound Care & Hyperbaric Center, LLC or Renovo Wound and Hyperbarics, PLLC to release my medical information to the Social Security Administration or its intermediaries for my Medicare claims. I assign the benefits payable for services to the physician group, **Renovo Wound and Hyperbarics, PLLC.**

\_\_\_\_\_**(Initial) E-mail:** If I have provided my email address on this form, I understand that Arlington Wound Care & Hyperbaric Center, LLC will keep that address confidential and will not rent or sell it. I understand Arlington Wound Care & Hyperbaric Center, LLC has requested my email address in case the center needs to contact me. I consent to Arlington Wound Care & Hyperbaric Center, LLC sending me, as a courtesy, patient follow-up communications, satisfaction surveys, or urgent notices.

\_\_\_\_\_**(Initial) Consent to Wireless Telephone Calls:** I consent to receive telephone calls, SMS text, and other communications on my cellular phone, other phone(s), and other communication devices, including autodialed calls and prerecorded messages from Arlington Wound Care & Hyperbaric Center, LLC, its successors, assigns, affiliates, agents, independent contractors, servicers, and collection agents. I understand these calls may regard my visit to Arlington Wound Care & Hyperbaric Center, LLC or financial obligations related to my visit.

\_\_\_\_\_**(Initial)** I acknowledge that I have received or been given the opportunity to receive a copy of Arlington Wound Care & Hyperbaric Center, LLC HIPAA Privacy Policy and understand that if I have any questions or complaints, I should contact the Arlington Wound Care & Hyperbaric Center, LLC Privacy Officer at 1-855-WOUND01.

## PATIENT ATTENDANCE POLICY

At US Wound Care & Hyperbaric Centers, we strive to provide our patients with excellent service and care. Our commitment to your well-being and healing in our wound care and the hyperbaric process is something everyone in our clinic takes quite seriously. We pride ourselves on providing a personalized team approach to your care. To provide this level of service, we reserve set appointment times for each individual patient.

We care about you and realize that it would be a disservice if we did not emphasize the importance of your commitment to your own care and well-being. Your adherence to the recommended number of visits and/or treatments is a vital component of your progress with our services. Therefore, we have certain policies in place to ensure the most optimal results.

**CANCELLATIONS:** Consistent attendance and active participation in your treatment are keys to successful wound healing. Repeated last-minute cancellations imply a lack of commitment to your recovery. Thus, if for any reason you must cancel an appointment, our office requires **24-hour advanced notice**. Cancellations within the 24-hour period or missed appointments are subject to a **\$25.00 short-notice cancellation/no-show fee**.

**NOTE:** This cancellation/no-show payment **will be due before your next scheduled appointment. Please note that your insurance does not cover this.**

**LATE ARRIVALS:** Arriving on time is a critical part of delivering optimal care to our patients. Understandably, arriving late from time to time is an unavoidable part of life. However, chronic late arrivals demonstrate a lack of commitment to your healthcare and recovery. If at any time you are 15 minutes late without coordinating with our front office, we reserve the right to reschedule your visit.

**REPEATED NON-COMPLIANCE:** Instances of repeated non-compliance with your scheduled visits indicate a lack of commitment to your plan of care. We reserve the right to discontinue care, and we will inform your physician and/or case manager of the fact that your service has been discontinued due to non-compliance with their prescribed order.

I have read and understand the above policies and agree to the obligation of my care.
